Dear Parents

From Walking Around School This Week...

Class 1 – Children in Class 1 have really impressed me this week with their number work. They have been writing, ordering and finding missing number on a 100 square. Great work, Class 1!

Class 2 – Class 2 have been working very hard on their knowledge and understanding of 3D models. The children created 3d models and were able to name the shapes and explain their properties.

Class 3 – Class 3 have been learning all about how to keep safe on the internet. They have created some informative powerpoints and have presented their work to the younger children in the school. Well done, Class 3!

During Celebration Assembly this afternoon, each class shared some of their fantastic learning. There was wonderful maths and literacy work shared with the school.
