Dear Parents

From Walking Around School This Week...

Class 1 – It was lovely to see how hard the children in Class 1 are working on their phonics this week. They were blending together sounds to read words and it is clear that they are making great improvements with their reading. Well done, Class 1.

Class 2 – Class 2 have been working very hard to create a talk for writing report on an Aesop fable. They have shown wonderful creativity to transform the Tortoise and Hare fable into a report using actions. Well done, Class 2.

Class 3 – There was also great creativity in Class 3 where the children have been using the oral retelling of 'How the Murray river was formed' to form storyboards and then extended written stories. Well done, Class 3.
