Dear Parents

From Walking Around School This Week...

Class 1 –. Class 1 were looking at money in maths and recognising different coins. This is quite hard as there are two different pound coins in circulation at the moment. The children have also been looking at the book 'Oi Frog!' and writing their own rhyming poems. Well done, Class 1!

Class 2 –. Class 2 were working on solving some multiplication problems. Well done, Class 2!

Class 3 –. Class 3 have been looking at politics, at local and national governments and what they do for us. The children were then writing their own manifestos. Well done, Class 3!
