Dear Parents

From Walking Around School This Week...

Class 1 have been working hard this week on partitioning numbers in maths. They were very enthusiastic about their learning and were proud to be working with big numbers! They have also produced some excellent letters as part of their letter writing in literacy. Well done, Class 1!

Class 2 have been very creative this week and have produced a fantastic book of descriptive poetry. It has been a wonderful team effort and the quality of their writing is fantastic. Well done, Class 2!

Class 3 impressed me with their science work this week. They have shown super science skills to be able to classify living things. Well done, Class 3!

Curriculum Letter

Attached to the newsletter is this half term's curriculum letter detailing what the children will be learning this half term. I hope you find the information useful.

Visit from Wes Magee

We had a visit from published author Wes Magee on Tuesday. Mr Magee stayed with us all day, spending time with each individual class. The children were inspired to create their own poems and class 2 is putting together a book of their descriptive poems for sale at a later date. There are photos on the website, including the poem created by class 3.

World Book Day

The children had great fun on World Book day dressing up as book characters, there were some fantastic costumes, thank you for your support. Please see the school website for photos.
