Dear Parents

What a week it has been! The rain hasn't stopped pouring but the children and staff have continued to work hard. A special mention has to go out to our year 2 children who completed their SATs tests this week and a big thank you to Mrs McKee for preparing the children so well for them.

I had a lovely day on Wednesday teaching KS2. Their team work skills were impressive as they negotiated with one another, responding to a business challenge set by Mrs Keetley.

The children have also led the way with ideas to refresh the hall displays. Every child has contributed and they are watching excitedly as the environment starts to change.

From Walking Around School This Week...

Class 1 – Class 1 were counting in 2's, 5's and 10's and grouping objects using their number knowledge. Well done, Class 1!

Class 2 – The year 2 pupils have made us very proud working really hard on their SATS this week. The year 3 pupils have worked really well in Mrs Keetley's class during SATS time. Well done, Class 2!

Class 3 – Class 3 were doing some fantastic work on their business project. They were working on advertising, sales and some great team building. Well done, Class 3!
