Newsletter - 7th October 2016

Dear Parents

Swimming Payments

Can we please remind those that have not already done so, to pay for swimming lessons on parent pay.

Teacher bids

Any reply slips for bidding to be teacher for an hour from Class 2 and Class 3 need to be returned by Wednesday 12th October. Please do not send in any money as your bid may not be successful.

School Uniform

Some pupils still have items of uniform missing. Could we please ask you that you check you only have your child's uniform and ensure that all their uniform is named.

Recycling Batteries

Used batteries can be recycled through school and help give us a chance to win prizes such as laptops. The boxes we have provided should be kept at home until full, then you can bring the box into school to be emptied into a bucket in the hall so that the box can be taken home to be filled again and again. Please do not include corroded batteries in the box.

Access to the school

Could parents and carers please use the pedestrian access only to enter school and not the car park entrance.

Junk modelling

Class 1 will be junk modelling next week, could you please send in empty boxes.
